Education

University of Waterloo, Bachelor of Mathematics

Sept 2024 – Apr 2029

- Cheese Club Treasurer: Managed budgeting, accounting, and P&L reports to ensure efficient fund allocation.
- Cooking Club Workshop Coordinator: Organized and facilitated workshops, including planning sessions and managing supplies, resulting in a **20% increase** in member attendance and positive feedback from participants.

Projects

Portfolio Website and Articles | *Javascript, React*

github.com/cedricicic

- Redesigned a responsive website to serve as an engaging hub to showcase projects, milestones, and writings.
- Implemented modern web designs and both decorative and practical features to **enhance UI/UX for all devices**.
- Completed the overhaul **within two weeks**, transforming the website into a polished, user-friendly platform.

Waterloo Works For Me | *Javascript, Claude AI, React*

- Developed an **AI-driven platform** to streamline co-op applications by generating tailored cover letters.
- Utilised automation to cut application time by **50%**, with **90%** of users finding the platform invaluable.
- Achieved rapid adoption, gaining **20+ active users** within two weeks of launch, driven by user-focused design.

Stocks Blanket | *Python, Numpy, Yfinance, Flask, React*

- Identified the trend of crocheting weather blankets and integrated **real-time stock data** to create a unique twist.
- Used API calls and applied **data-cleaning techniques** to ensure accurate and up-to-date stock performance data.
- Designed a **data visualiser** that translated the performance of a company's stock into compelling patterns.

Work Experience

Event Planning, Weds dinners – Newmarket, ON

May 2023 - Nov 2023

- Collaborated with a team of **10+ staff members** to implement a streamlined workflow process.
- Coordinated dinner events for **50–80** attendees each, ensuring smooth execution from planning to conclusion.
- Ensured **100% on-time readiness** and guaranteed all arrangements and materials were prepared on time.

Senior Barista, Metropolis Mercantile + Cafe – Newmarket, ON

Nov 2022 - Dec 2023

- Led and trained five staff members, improving service quality by providing hands-on mentorship.
- Managed relationships with **100+ customers daily** with **95%+ customer satisfaction** as reflected in reviews.
- Created and tested **10+ new pourover recipes**, incorporating customer feedback to align with preferences.

Volunteering Experience

Organiser, The Salvation Army – Aurora, ON

Dec 2023- Jun 2024

- Organised and maintained the layout of hundreds of donated items to create an accessible environment.
- Coordinated and led team members to efficiently sort, categorize, and display donations.
